Dear Parent/Guardian:

I am writing to inform you that as of the fall of 2015, our district preschool programs will be moving from the Squannacook Early Childhood Center (SECC) in Townsend to the Varnum Brook Elementary School (VBES) in Pepperell. This decision was reached after careful and thoughtful consideration of all factors. While I know that for some, this change will cause some concern and frustration, it is one that is necessary as we move forward.

As many of you know, during this past winter the Squannacook building experienced some interior damage. In order to repair the building properly, the school must be vacated to allow for both roof repair and interior wall and ceiling work.

We will all work diligently to provide the most seamless transition possible for our very youngest learners. A tour of the Varnum Brook facility will take place during late summer. Please do not hesitate to contact us if we can be of any assistance. We all welcome you to the Varnum Brook School community!

Sincerely,

Linda M. Rakiey, M.Ed.
