The North Middlesex Regional School District School Committee places the following policy on the table for public review. Should you wish to make a comment on the policy, please email your comments to: info@nmrsd.org

Thank you.

ACAB Sexual Harassment Policy

SEXUAL HARASSMENT

All persons associated with the North Middlesex Regional School District including, but not necessarily limited to, the Committee, the administration, staff, and students, are expected to conduct themselves at all times so as to provide an atmosphere free from sexual harassment. Any person who engages in sexual harassment while acting, as a member of the school community, will be in violation of this policy. Further, any retaliation against an individual who has complained about sexual harassment or retaliation against individuals for cooperating in an investigation of a sexual harassment complaint is similarly unlawful and will not be tolerated.

Because the North Middlesex Regional School Committee takes allegations of sexual harassment seriously, complaints of sexual harassment will be addressed promptly. If inappropriate conduct has occurred, the conduct will cease immediately, and corrective action, as necessary, including disciplinary action, will be imposed.

While this policy sets forth the goal of promoting a workplace and school environment, that is free of sexual harassment; the policy is not designed nor intended to limit authority to discipline or take remedial action for workplace or school conduct which is deemed unacceptable, regardless of whether that conduct satisfies the definition of sexual harassment.

Definition of Sexual Harassment: Unwelcome sexual advances; requests for sexual favors; or other verbal or physical conduct of a sexual nature may constitute sexual harassment where:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of a person's employment or educational development.
2. Submission to or rejection of such conduct by an individual is used as the basis for employment or education decisions affecting such individual.
3. Such conduct has the purpose or effect of unreasonably interfering with an individual's work or educational performance or creating an intimidating, hostile, or offensive working or educational environment.

Grievance Officer:

The grievance office contact information will be included at the beginning of the student handbooks.

The committee will ensure the annual appointment of a Sexual Harassment Grievance Officer who will be vested with the authority and responsibility of investigating all sexual harassment complaints in accordance with the procedure set out below:

Complaint Procedure:

1. Any member of the school community who believes that he/she has been subjected to sexual harassment will report the incident (s) to the grievance officer. All complaints shall be reported to the superintendent and investigated promptly and resolved as soon as possible.

2. The grievance officer will attempt to resolve the problem in an informal manner through the following process:
 - a. The grievance officer will confer with the charging party in order to obtain a clear understanding of that party's statement of the facts and may interview any witnesses.
 - b. The grievance officer will then attempt to meet with the charged party in order to obtain his/her response to the complaint.
 - c. The grievance officer will hold as many meetings with the parties as is necessary to establish the facts.
 - d. On the basis of the grievance officer's assessment, he/she will:
 - a. Attempt to resolve the matter informally through reconciliation. If reconciliation is reached, written notification will be submitted to the superintendent.
 - b. Transfer the record to the superintendent or his/her designee, and so notify the parties by certified mail.

3. After reviewing the record made by the grievance officer, the Superintendent or designee may attempt to gather any more evidence necessary to decide the case, and thereafter impose any sanctions deemed appropriate, including a recommendation to the committee for termination or expulsion. At this stage of the proceedings, the parties may present witnesses and other evidence, and may also be represented. The parties, to the extent permissible by law, shall be informed of the disposition of the complaint. All matters involving sexual harassment complaints will remain confidential to the extent possible. If it is determined that inappropriate conduct has occurred, the offending conduct will be addressed immediately.

4. The grievance officer, on request, will provide the charging party with government agencies that handle sexual harassment matters.
